

HOW TO CREATE YOUR OWN MAGIC SPELL.

1. CHOOSE A TALISMAN.

Each sorcerer in *Magicborn* has a *Talisman*:
A magical object of special value gifted to them by a loved one.
Touching their Talisman helps focus their magic.

2. WRITE A SPELL.

A spell is a short rhyme made with descriptive words.
Thomas's spell to turn into a wolf is full of animal words.

*"Tail, snout, pelt, paws.
Wings, fins, teeth, claws.
Shake me, change me, magic truth.
Make me into a wild wolf."*

Tempest's spell to make a thunderstorm is full of weather words.

*"Tide rise. Clouds gather.
Floods come. Rain batter."*

Collect words that relate to your spell and
put them together to make a rhyming poem.

3. CAST YOUR SPELL.

Hold your Talisman tight and speak
your spell in a confident voice.
If you get it right, perhaps great
magic will happen.
