Top Tip:  
Illustrations don't just  
have to be of people,  
they can be of places  
and things in the  
story too!

Are your characters  
on a journey?  
Where are they going?  
Who are they with?  
WHY?

## Write your own Penny Dreadful

Penny Dreadful stories were popular in the 19th Century.  
Full of suspense, adventure and action. Have a go at  
writing your own below.

Fun fact:  
Penny Dreadfuls would  
often end in the middle of a  
sentence!
